The President in opening the proceedings read the notice convening the Special Meeting, which was as follows :---

"In pursuance of a requisition signed by 14 Councillors, a Special General Meeting of the City Municipal Council, --- Bangalore, will be held on Monday the 12th September 1927, at 8 A M in the Council Chamber for the consideration of the -- following propositions of which notice has been given by them ---

(1) 'This Council strongly disapproves of the conduct of the Commissioner in granting leave to the Special Engineer, Mr T Ramachandra Rao, in anticipation of the Council's sanction '

(2) 'This Council resolves that Mr T Ramachandra Rao, the Special Engineer in charge, be recalled to duty immediately pending the decision by the Council on his leave application ' "

Mr C Hayavadana Rao raised a point of order stating that there was before the Council no valid subject or subjects for consideration by it The notice of motion read by the President showed that the first resolution was a motion for censuring the conduct of the Municipal Commissioner for proposing which there was no provision in the Municipal Regulation Though the meeting was ~~xk~~ validly ~~xxxxxx~~ convened as required by the Statute, the resolution referred to could not be considered, as it would be ultra vires of the Regulation The Regulation provides for the consideration of subjects which could validly come before the Council and not others Even the removal of the Municipal Commissioner may, under certain circumstances, be considered by the Council But there was no provision for proposing a motion of Censure as sent up Unless there is a clear and specific provision for proposing a ~~xk~~ motion of Censure of this kind, -- this Council wouldbe acting illegally in considering one of that nature

As regards the 2nd Resolution, Mr C Hayavadana Rao said that that question had already been decided at the Council meeting held on the 3rd instant That being so, the Council was precluded by law from going into it a fresh, as the provisions of Section 26, Cl 12 of the Municipal Regulation have not been complied with He added that in these circumstances there was no subject before the Council for consideration and that therefore this meeting ~~xxxxxx~~ should be dissolved

Before giving a ruling on this point of Order, the President invited the opinion of the Members of the Council on the subject

Messrs Belur Srinivasiengar, B Abdur Rahmen, C N Narasinga Rao, Nilgiri Sanjeeviah, W H Hanumanthappa, B.L Byanna, G Parmasiviah, R Gopalaswami Iyer and G B Raghavendrachar gave expression to their views on the point.

The President stated that ~~xxx~~ there was no provision of Law to discuss a motion censuing the conduct of the Municipal Commissioner

Commissioner. All that is contemplated under the Regulation is a motion for the removal of the Municipal Commissioner under certain circumstances and that the latter was not the subject before the house to-day.

Further he said that after Mr. T. Ramachandra Rao, the Special Engineer was relieved of his duties under the orders of the Municipal Commissioner, the Municipal Council have granted leave to him and thereby have ratified the action taken by the Municipal Commissioner in granting leave to him in anticipation of sanction by Council. He invited the attention of Members to the date of the letter requesting the convening of the Special Meeting, (27-8-1927) and to the date of the Council sanctioning the leave, (3-9-1927) which he remarked fully bore out, the point that the Council approved of the action of the Municipal Commissioner in the matter.

With regard to the resolution No. 2, the President remarked that the Statute did not permit the discussion of the subject, the provisions of Section 26, Clause 12 not having been complied with He therefore gave a ruling that the propositions in question were not in order and accordingly declared that the meeting be dissolved.

Honorary President.
